

Bike share is a convenient, affordable, and fun way to get around Colorado Springs and Manitou Springs. Subsidized annual memberships for your employees offer a sustainable and dependable mode of transportation - whether they are commuting to the office or grabbing a quick lunch. Biking is good for the environment and also for the health and wellness of riders.

Sustainability

Zero emissions into the environment

Replaces car trips less than 3 miles

Reduces road congestion

Minimizes noise pollution

Health and wellness

Increases productivity and focus at work

Burn calories while you ride

Spend less time in traffic, more time having fun

Biking helps reduce health risks
